

**NEW!**  
The Revolutionary Elastic Pallet Wrap

**ELASTINET**<sup>®</sup>

**Wider  
Longer  
Stronger  
Better**

***The NEW ElastiNet<sup>®</sup> X-SPAN<sup>®</sup> gives you more than before!***

# ElastiNet® X-SPAN® — the new improved stretch net! Keeps its original width, enlarges wrapping surface and gives you more for less!

*ElastiNet® X-SPAN® leads the way in both agricultural and industrial settings due to its aggressive memory.*

*The new X-SPAN® Technology is a real revolution in the pallet net world, since the net stretches further without losing width.*

• **Elongation**

ElastiNet guarantees 10% elongation. The new ElastiNet® X-SPAN® guarantees 15% elongation and will stretch up to 20% in many cases, resulting in more wrapped loads per roll

• **Maintains Width**

The New ElastiNet® X-SPAN® will stretch without losing width, therefore will cover a larger surface

• **Reflex-Action**

To provide superior load retention, after stretching, ElastiNet® X-SPAN® snaps back and retracts almost all the way to its original dimensions

• **Strength**

ElastiNet® X-SPAN® grips around every shape and curve and stays on top of things

• **Versatility**

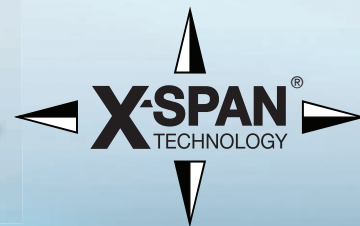

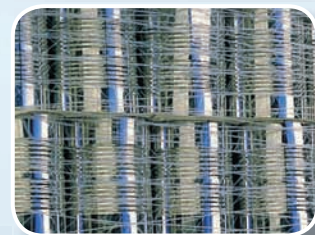

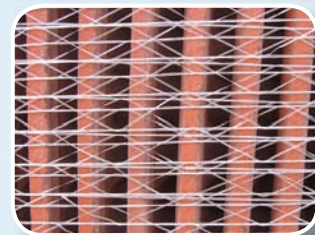

ElastiNet® X-SPAN® will do the job in most applications, whether used with a wrapping machine or manually

• **Environmentally friendly**

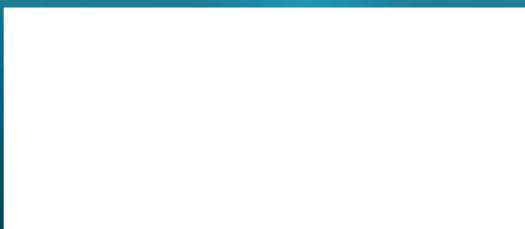

More wrap, less waste, and totally recyclable

• **Savings**

The whole ElastiNet® X-SPAN® package results in faster wrapping, extra security, more yield per roll, wider net and all the other attributes of elastic net, thus saving you time and money!

ElastiNet® X-SPAN® is manufactured by a world leading company, **Tama Plastic Industry**, in state of the art production facilities under strict quality control and under ISO 9001 2008 certification.
