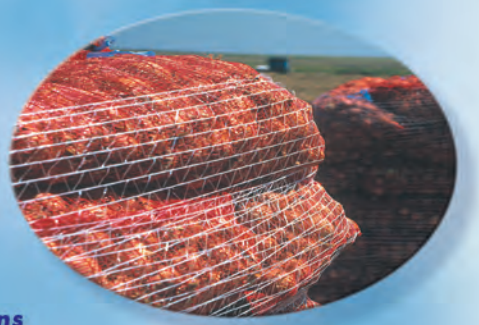
# ELASTINET® gives you more...
## For less than you ever thought possible.

* **Reflex-Action**
**To provide superior load retention, after stretching, ElastiNet® snaps back and retracts almost all the way to its original dimension**



* **Strength**
**Grips every corner and curve, and stays on the job no matter how many twists and turns**

* **Protection**
**Guards shipment integrity in the harshest shipping conditions**

* **Versatility**
**Can be used for all types of shipments in manual or machine applications**

* **Adaptability**
**Compatible with most existing wrapping machines and brake systems**

* **Security**
**Even when wrapped over the top by as little as 2" ElastiNet® secures the pallet from the top as well as from all sides**

* **Environmentally friendly**
**More wrap, less waste, and totally recyclable**

* **Savings**
**ElastiNet® secures any pallet, saving time, materials, money and manpower**

## Plus, this Special Bonus!
## 75% added length in every roll
